

## Login Instructions – FRENCH BELOW

1. Click on “**Log in**” located on the top right hand corner of the screen.
2. Enter User name and Password provided to set up your initial log in.
3. It is strongly recommend that you change your password following your initial log in.

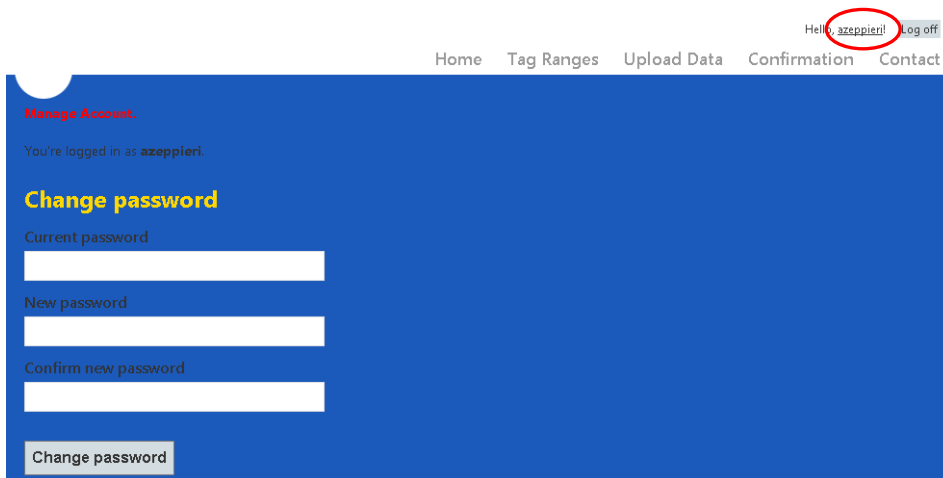

The screenshot shows the login page of a system. At the top, there is a navigation bar with links: Home, Tag Ranges, Upload Data, Confirmation, and Contact. A 'Log in' button is circled in red in the top right corner. Below the navigation bar, the page has a blue background. On the left, there is a 'Log in' section with the heading 'Use a local account to log in.' Below this heading are two input fields for 'User name' and 'Password'. There is also a checkbox for 'Remember me?' and a 'Log in' button at the bottom of the section.

## Change your password

You can change your LCL password at any time.

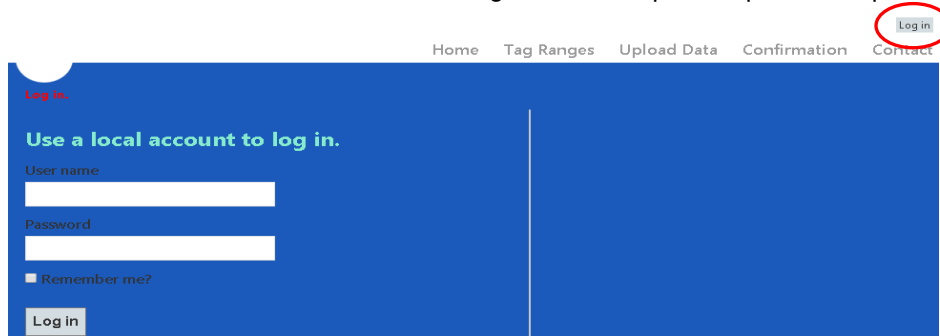

1. Click on your **Log in ID**.
2. Enter your current password and new password information, then select **Change password**.

The screenshot shows the 'Change password' page. At the top, there is a navigation bar with links: Home, Tag Ranges, Upload Data, Confirmation, and Contact. A 'Hello, azeppieri!' button is circled in red in the top right corner. Below the navigation bar, the page has a blue background. On the left, there is a 'Manage Account' section with the heading 'Change password'. Below this heading are three input fields for 'Current password', 'New password', and 'Confirm new password'. There is also a 'Change password' button at the bottom of the section.
